YOU´RE INVITED TO JOIN US ON OUR BOLD JOURNEY; ONE THAT CONNECTS DONORS AND RESOURCES TO LOCAL NONPROFITS OFFERING CRUCIAL PROGRAMS. FOCUSED ON THE FUNDAMENTALS FOR A GOOD LIFE — EDUCATION, FINANCIAL STABILITY AND HEALTHY LIVING — WE INVEST DONORS’ DOLLARS IN QUALITY PROGRAMS THAT PROVIDE OUR COMMUNITY WITH ACCESS TO THE TOOLS REQUIRED TO THRIVE. FROM PROMOTING ACCESS TO EDUCATION AND HEALTH CARE TO ENDING HUNGER AND HOMELESSNESS, WE´RE STRATEGIC WITH OUR DONORS’ DOLLARS.

THREE QUICK REASONS

1 OUR COMMUNITY IMPACT TEAM has the expertise to identify and address our community’s most critical needs. By funding 47 nonprofit partners offering 67 programs and collaborating with community partners, we truly advance the common good and make a visible difference in the lives of our residents.

2 OUR COMMUNITY PARTNERS PROVIDE PROGRAMS that…
   • Assist youth in gaining skills to achieve their full potential in school and life.
   • Help those in crisis meet their most basic needs — food, shelter and clothing.
   • Prepare individuals and their families to become financially stable.
   • Connect residents with available, affordable health services.

3 WE MAKE DONORS’ DOLLARS MORE IMPACTFUL by directing donations to the successful nonprofit organizations of their choosing. Combined with grants and matching dollars, your gift will be stretched to help the most people, right here in Palm Beach County.

We can only create lasting change if we work together. That’s what it means to LIVE UNITED.

WHY GIVE TO UNITED WAY?

You’re invited to join us on our bold journey, one that connects donors and resources to local nonprofits offering crucial programs. Focused on the fundamentals for a good life — education, financial stability and healthy living — we invest donors’ dollars in quality programs that provide our community with access to the tools required to thrive. From promoting access to education and health care to ending hunger and homelessness, we’re strategic with our donors’ dollars.

HARD TO BELIEVE, BUT TRUE!

PALM BEACH COUNTY STATISTICS

• If students are not reading on level by third grade, their risk of not graduating on time, or at all, increases significantly

• The unemployment rate for individuals with disabilities is much higher than the national average, making it difficult to achieve independence

It’s easy to give to United Way through payroll deduction!
